

REMARKS

Claims 1-12 are currently amended.

The specification has been amended on page 22 to correct a minor typographical error.

The claims have been amended to remove the multiple dependencies, to improve readability and to place the application in better format for examination.

Support for the amendment is found in the claims and specification as originally filed.

Upon entry of the amendment, Claims 1-12 will be active.

No new matter is believed to have been added. An action on the merits and allowance of the claims is respectfully requested.

Respectfully submitted,
